Benefits of Sponsorship

When you join us as a sponsor, your organization will have a literal “seat at the table” to connect with important players in the community health space. Sponsoring the Bernstein Event will allow you to:

- Associate your organization with the legacy of Dr. Jim Bernstein and FHLI, the long-time leader in innovative community solutions to health care barriers experienced by rural, underserved, and marginalized communities.
- Play an active role in charting the future of FHLI’s work to mobilize communities to solve the generational, systemic health challenges that have plagued our state for decades.
- Celebrate diversity, equity, and those who elevate the voices of their friends, family members, and neighbors to break down systemic barriers to community health and well-being.
