Nel Edwards, Executive Assistant
Jim and Sue Bernstein Scholarship Program

Dear Ms. Edwards,

I would like to express my support and the nomination of Bailey Beam for The Jim and Sue Bernstein Scholarship for the 2021-2022 application period. Bailey is a highly motivated young woman that has been dedicated to her studies throughout her education. Her hard work and dedication has paid off and she has been recognized as an honors graduate of 2021 from Mountain Heritage High School.

Bailey is a caring and compassionate individual that has a desire to give back to her community. She plans to pursue an education in Emergency Medical Services to become an Emergency Medical Technician. Her hope is to gain a position within Yancey County after completion of her studies. This scholarship would allow Bailey to meet the remaining need of payment within her first year of college and relieve a financial burden from the learner.

I am confident that Bailey has made a great effort to achieve her future goals and will continue to have that same motivation throughout continuing her education. It is my pleasure to give her a high recommendation for this scholarship.

Sincerely,

Chuck Shelton, CEO

The Jim and Sue Bernstein Health Center Dependent Scholarship Application

The Jim and Sue Bernstein Scholarship commemorates the late Jim Bernstein, a national rural health pioneer who, for more than 30 years, led North Carolina's efforts as a model of innovation for the community driven care of low-income, under-served and vulnerable NC residents. The scholarship also honors Sue Bernstein, Jim's wife and partner for 40 years, a former teacher and returning Peace Corps volunteer, who continued to work with school-age and college students as a tutor, mentor, friend and advisor.

To apply for a Jim and Sue Bernstein Scholarship, please complete this application form, attach all required documents, and submit the full application to Nel Edwards at the Foundation for Health Leadership & Innovation. Use additional pages as necessary. Applications may be submitted electronically to nel.edwards@foundationhli.org, or by USPS (2401 Weston Parkway, Suite 203, Cary, NC 27513). The deadline for submitting applications is 5:00 PM, June 4, 2021 for course work to be completed by June 2022.

If selected for a scholarship, scholars will be required to submit additional information, including their Student ID Number, to FHLI. All payments will be made directly to the institution in which scholars are enrolled. Scholars will also be asked to provide permission to include information about their experience and how they benefited from the scholarship program, which will be posted on FHLI's website.

Scholarships of \$250-\$2,000 per academic year are available. Level of funding depends on applicant pool, need, and factors determined by the Jim Bernstein Health Leadership Fund advisory committee.

Growing up I suffered from many illnesses. I was diagnosed with asthma, ear infections and allergies to all antibiotics. I felt like I was always sick with something. My illnesses always found a way to get in the way of my education as well, from being too sick to go to school or me being in the hospital for surgeries for my ears because I couldn't take antibiotics.

I remember when I was in the third grade, I was admitted to the hospital on Valentines Day because of back to back asthma attacks that wouldn't stop and progressively kept getting worse and worse. Before I was hospitalized my breathing became so bad that after trying a couple of nebulizer treatments and that not helping, the ambulance was called. My vitals were checked by the EMT's and they found that my oxygen levels were dangerously low. They were both really nice to me and helped keep me calm during that time. After they checked my vitals again, they found my oxygen levels were even lower than they were before. I was rushed to the hospital, but before we left the EMT's gave me a stuffed animal to keep me calm.

Those kinds of experiences stay with you for a long time and I wish I could tell them just how grateful I am for their kindness that day. That was a big influence in my wanting to become a paramedic. I plan on going to UNCA for my first two years and then transferring to Lees McRea to finish out my four year degree. It is my goal to help others, the same way I was helped by the two EMS drivers.

To Whom It May Concern:

It is a great pleasure to recommend Bailey Beam. I have been Bailey's English teacher for this semester. I feel I am in a good position to give you a fair assessment of her excellent qualifications.

First, Bailey is well prepared for life at a competitive institution of higher learning. She has the independence of thought and capacity for self-motivation that separate the first-rate student from the merely talented. In school, Bailey has consistently chosen challenging classes with excellent instructors so that she can have the best possible preparation for college. As her English teacher, I can vouch for her hard work and the excellence of her capacity to read thoughtfully and write persuasively.

Further, Bailey is a thoughtful, intelligent, and mature young woman. In my class, she consistently does good work and participates in class discussions. Her writing is improving and reflects a mind that is engaged and bright. She is respectful to teachers and students alike. Bailey has discovered a genuine love of academics and has shown great potential as a reader, writer, and thinker; she is among the most accomplished of my students, and she is definitely among the most hard-working, persistent, and dedicated to succeed.

In short, I give Bailey a very high recommendation. Please contact me if you have any further questions.

Sincerely,
