

Rural Health Coalition Fighting COVID

ROBIN TUTOR MARCOM, EDD, MPH

MAY 12, 2021

Agriculture is NC's leading industry contributing ~\$93 billion to the state's economy

*...only ~\$10.7 billion is in farm receipts among the state's 46,200
farms with 74% of farms having <\$25,000 in gross sales*

Walden, 2020; NC Dept. of Agriculture & Consumer Services , 2020

-
- Agriculture in all 100 counties
 - 85% of farms are family owned & operated
 - Operations active 12 months/year
 - Labor sources are fluid and include:
 - Family (161,000 estimate)
 - Seasonal (16,365)
 - >150 days (9,290)
 - Migrant (25,355)
 - H2A (23,086)
